MIRAVISTA[™]
BEHAVIORAL HEALTH CENTER

413-701-2600 (press option 3)

MiraVistabhc.care | 1233 Main St., Holyoke

MA Impaired Driver Program helps individuals identify and understand their driving under the influence of substances and addiction issues. The program provides 40 hours over 16 weeks and includes an assessment and treatment plan. Referral from court is required.

Second and Multiple Offender Aftercare Services provide a comprehensive assessment and counseling for individuals with more than one charge of operating a motor vehicle under the influence. Referral from court is required.

MiraVista offers both Telehealth and in-person classes.

Bilingual services provided throughout our programs.

Call 413-701-2600 (press option 3) **to access care or for referrals.**

Most insurance accepted.
