

Let's Connect

When someone needs care, the next step should be clear. I'd love to connect - wherever you are. Whether it's a quick coffee, time with your team, or a conversation about access to care, I'll come to you. Because when we stay connected, we create a clearer, more direct path to care - together.

A Direct Path to Care

Direct admission to inpatient
mental health treatment - without
the emergency department.

What We Do

At MiraVista and TaraVista Behavioral Health Centers (The Vistas), we partner with schools, Employee Assistant Programs, providers, nonprofit agencies and more to provide fast, compassionate access to inpatient care – without barriers, delays, or uncertainty.

A Partner You Can Trust

Your trust is behind every referral – we honor that.

- Responsive, real-time communication
- Dedicated intake coordination
- Consistent, reliable process

THE VISTAS
BEHAVIORAL HEALTH CENTERS

Direct Admission. No Detours.

Send them with confidence

-  No Emergency Department required
-  One call to our clinical team
-  Same-day, when appropriate, expedited admissions
24/7 access

Clinical Care That Meets Real Needs

Built for complexity. Grounded in care.

- Child, adolescent & adult inpatient services
- 108 at beds at MiraVista, 122 beds at TaraVista
- Dual diagnosis expertise (mental health + substance use)
- Trauma-informed, evidence-based care
- Experienced clinical and nursing leadership

An Experience That Respects The Individual

Grounded in dignity, clarity and respect

- Streamlined, supportive admissions
- Safe, therapeutic environment
- Respect for dignity, privacy, and emotional safety

Beyond Discharge

A path forward—not just a point of care.

- Planning starts day one
- Step-down options (including IOP, PHP, MAT, Residential programs)
- Coordination with providers and community supports
- Return-to-work considerations

Send them with confidence. A direct path to care.
